“ I will miss my Big Sister. Nothing can replace her, maybe fill-in, but not replace. Her race on Earth was run and her time here was done. She went to her Heavenly reward she so richly deserves.

“ Sorry to hear of Laura death. I shall always remember the good times our families were able to get together throughout the many years. We remember the time all of you came to Minnesota to visit us for a week. It was so much fun having all of you come up for the visit. Ryan, Lisa & Alan were young, same ages of Keith & Mike our children. I love, cherish, admire & appreciate you all very much. All of you are very treasured friends of Penny & me & our children. Our condolence, sympathy & prayers are with all of you during this time. It is not easy losing a loved one, who we dearly love & appreciate.

“ Laura Mae is remembered as a kind, quiet caring cousin. During my first and second grade at Mobile elementary School she would stop by my grandmother's house and pick me up to walk through the woods so I would not be alone. On special days she would have light bread sandwiches and would share with me. that was special since I was ashamed of my biscuit lunch! I have the fondest memories of her kind gentle spirit and am so glad to call her my cousin....Linda Anderson

“ I remember getting invited to either Alan or Ryan's birthday party in the 70's. My brother and I were really shy. Laura was so sweet and made us feel at home. We had a great time. She was always nice to all the neighborhood kids. I was so young. One of my first childhood memories. Prayers to the family.

“ Aunt Laura to me was the matriarch of our family. My heart is filled with so many memories. I am thankful she showed the love of taking pictures, as well as baking. But most importantly, the love she gave all of us. Rest easy Aunt Laura. I'll see you soon. I love you

“ Aunt Laura was a perfect and shining example as a wife, mother, grandmother, great grandmother, great-great grandmother. She came from a strong and loving Christian home and was the oldest of her other five siblings. Her family was never rich in money but, found wealth in family and food. The things I will always remember about Aunt Laura is how when I was little and skinny as a rail she just would not rest at night until I had a pile of covers to sleep under. I mentioned food, well she had many examples to follow and many to follow her examples in the kitchen. One of my favorite desserts in the world was made by Aunt Laura, the toothpick cake white cake mix with chocolate frosting poured all over it and down the toothpick hole. It was basically a simple bakery delight. One more thing I will always remember about Aunt Laura is where she was seldom found, pictures. She won't make it thru the pearly gates with any less than 3 rolls of film. Yeah she loved her some film, I think sometimes she was digital but it fair to say, as Aunt Laura went so did Kodak. Sometimes the photos were annoying depending on your age and aggravating as well depending on your age. Now, simply put they are sadly missed. She married a great man in my Uncle Ted and loved him and loves him as she did all, with all her heart. She always did a great job in giving me three excellent cousins. I end with this, my first great loss as a child was my Grandmother, the best memory I will have of Aunt Laura is the reflection of a grandmother I held so dear in my heart.

With love to all,

Jeff, Lori, Tyler and Isaac
