“ *Agnes was my dear Mother-in-Law but said she'd be my Mom since mine was out of state. She honored my trust in her and we shared a lot of thoughts and dreams. I always loved spending time alone with her, she kept me laughing and made me feel strong. She was always so warm and inviting, everyone was welcome in their home and in her heart. She was among the most important women I've ever had the privilege of knowing and loving. I'm sad for everyone who ever knew her because I realize what a loss you're experiencing. I love you Mom. Always have, always will.*
