“ *I had the opportunity of working with Andy, at Griffin Area Resource Center. Andy, was such a joy to be around, I really enjoyed getting to take him to different places, that he requested to go, it brightened his day to be able to go out. He would always ask me, if he could come in my office and have a small staff meeting. He would bring his art work to me that he had designed for me. It really made his day to be able to do that. He had lots of friends. He will truly be missed. I also enjoyed getting to know his family. RIP Andy*

“ Andy attended Griffin Area Resource Center where my daughter Jessica met him and they became the best of friends. They enjoyed doing puzzles together and also ate lunch together until just prior to COVID. Jessica has a picture of her and Andy on her dresser and talks daily about her friend Andy. RIP you were such a gentleman and sort of a guardian towards Jessica. Jessica said that Andy is in Heaven with her Ma now and she will take good care of him.

Andy was on my mom's hall at Brightmoor and he was always smiling and so friendly. He was a pleasure to see when visiting mom. He was the hall greeter. My prayers for his family for peace and comfort.
