“ *Where do I even begin to talk about my Mama and my best friend. She was the most unique person I have and will ever know. She was generous, caring, give you the shirt off her back, never met a stranger. She was hard working and could never take a hand out. She was very funny with all her sayings which I will never forget. I could not have made it for 59 years without her. She was a great mother, daughter, sister, grandmother and a true friend. I'm so glad she is in heaven now and probably dancing with Elvis. That brings me much peace but it doesn't take away the pain of my heart. Thanks to all her friends that she had for many years. She loved you all. Please keep her in your heart everyday. I love you all. I was truly blessed to have her as my Mother and can't wait to see her again.*

“ *Angie was one of the sweetest and most caring ladies I've ever known. She brought such joy to my family. She was like another sister to my sister and another daughter to our mother. She and my mother were so cute together, laughing and having fun. Rest in peace sweet lady. You will be missed.*

“ My dear friend who lived a life of love and concern for others, and was loved by many friends who knew her as a caring, funny, big-hearted lady. God bless her soul. My condolences to her family, and especially to those who helped her struggle through the last eight months of her life.
