“ To: Avis’ children and family

Avis and I were classmates at Buchanan High school. Our small class was the first to graduate from a 12-grade system which was expanded during the 1949-50 school term.

I have so many wonderful memories of your mother. She was pretty, smart, vivacious, talented, and a great friend. I spent many nights at Clifford and Ethel Eaves’ home which was Avis’ home at that time. I remember, too, Jerry and Jack who were so energetic.

Avis had the most beautiful voice. She sang at so many school functions. I don’t believe she ever had any music lessons but Avis could certainly play a piano.

After our graduation, Avis and I sought and obtained jobs in Atlanta. We, along with two other friends, rented a basement apartment in a private home in Decatur.

Over time, we lost contact with each other. However, I did see and talk with her at Clifford’s 100th birthday celebration.

I know she will be missed so much by all of you. Memories of her will bless you always in the everyday things that still carry the tenderness of her life. She was truly a beautiful person.
