“ I have known Barbara and been friends with her daughter Kellie and son Kenneth for the majority of my life. It was an honor to be able to know her and then have her in our kids lives as well. She was the best grandmother those kids could've ever asked for. She loves them fiercely and she will never be far from yall. She is definitely yalls guardian angel now. Take comfort in the fact that she is not having to struggle to breathe anymore, not to mention the family reunion in heaven when she arrived. My deepest condolences on such a heavy loss my heart goes out to those that love her.
