“ Thanks Ma for being there for me when I was in my darkest spots of my life. You picked me up and dusted me off and kept me holding my head high without judgements even when I was in the wrong. The things I should have told you while you were here. Love you and David im sorry I haven't been there. I miss ya.

“ I'm sure going to miss you my sweet friend with a heart the size of Texas. You were one that always thought of others and reached out to help and I will always cherish our friendship and memories we have made as our little adopted family (lol) the kids and I miss you but we know without a doubt your walking without pain and fishing and enjoying being reunited with your love ones in heaven, we will always be missing you and try my best to check on Spoon and keep her in line. Love you and have no idea what I'm going to do with all your fun Christmas gifts, It will not be the same this Christmas with out love.
