“ *I'm very sad to hear of Barbara's passing. She was such a good friend and neighbor to my mother, Anne Culberson, and I appreciated her watching out for Mama before she moved to Brightmoor. She, Mama, and I would sit out and talk on the porches of their apartments when I visited, and she was a lot of fun to be around. She was a good woman who loved her "girls" and their babies. Cathy, Devin, and Megan, I know that you all will miss her as will all of those great grandchildren that she was so proud of and doted on. You girls will be in my prayers. Susan Schwanbeck*

Jeanette, Cathy, Devin & Megan so sorry to hear of Barbara's passing. We haven't spoken in a few years and this was sad news to hear. Growing up Barbara & Jeanette were like big sisters to me. There are so many memories that we share. When we were young Barbara, Jeanette, Uncle Rufus & Aunt Annie Bell moved in with us when there house burned a little before Christmas. Barbara didn't like staying by herself at night so I spent many a night at their house while Jerry worked at the hospital. I had to make sure to not get up during the night because if she heard any noise she would come out of her room with her gun ready to shoot. I was very happy to have Barbara, Jeanette & Cathy as part of our wedding when we got married almost 45 years ago. She baked & decorated my wedding cake and everyone raved about how pretty it was. I know that she will be missed and I'm sorry that I will never be able to tell her how much she meant to me. She is now reunited with her loved ones that have gone before her. She can now hug Barry and tell him how much she missed him. I love you.... Judy
