“ Pastor Cole was a Holy Man of God. He had a great testimony in our community. He was always kind and pleasant when he would see me after church, useuly at Chick-fil-a. He had a heart for God and a love for people. I'm shure he has heard the Lord say, *WELL DONE THOU GOOD AND FAITFUL SERVANT.*

“ Some people walk taller, smile brighter, and just generally saturate the physical world around them more than the average person. And when they leave, the hole is bigger and the wake is larger. Pastor Cole was one of those people. Bigger than life. My heart genuinely goes out to the family and friends of a truly godly man

“ *I will remember This great pioneer for many things but my wife and I have been discussing the miracle that he was in his last GA Camp Meeting last week. Had his last supper Fri Nite with the other ministers. This is just a thought before he went to be with his Jesus in the Camping meeting up there.*

“ Bishop Cole was always available to any and everyone. As a kid at camp meeting over 35 years ago I remember how Bro. Cole was always willing to listen and help us kids. A few years ago Bro. And Sis. Cole were walking into service I was working security outside and asked them to pray for me in church as I had a headache. They stopped layed hands on me and prayed. The headache was instantly gone! I love the entire Cole family!
