“ *In honor of my father I want to share a few memories with you. His hobbies were deep-sea fishing and buying new cars. His favorite foods were tomatoes, green beans, pork chops, German chocolate cake, and yes, buttermilk. He was a gardener. He would plant three times the amount of vegetables needed for our family. He loved his children, grandchildren, and his mother dearly. His greatest treasure was his wife. In his last years he enjoyed listening to the preached word. He taught me to get more out of life. I will miss him greatly.*
