“ Pawpaw you left us to soon. I love you so much, and will miss you dearly. You were there for me and like a second Daddy to me, after I lost my Dad. I will forever remember the things you have taught me , and hold the memories close to my heart. You may be gone , but you will never be forgotten. Go rest high on that mountain , and keep a watch over us all. Love you with all my heart !!! Love Rat (Melissa)
