I would have found a way to get there. I'm so sorry. I didn't know it until a couple months after she had died. I'm sorry I just didn't know. Please know my thoughts and prayers are with you all. “ i served brenda 2 1/2 years ago at o’charleys. she sat by herself and had the brightest smile and she reminded me of my mimi so i proceeded to talk to her and she then became a regular and a second grandmother to me. i learned that she loves her family, kids, and grand kids more than anything and we just bonded and learned more and more about each other every time i saw her. she will be missed ❤️ and i’ll pray for each and every one who knew her. ❤️❤️
