“ Brian... where do I start?? I love Brian like a brother... NEVER saw us without giving us a hug and telling us he loved us! He had the sweetest heart and would do anything for anybody.. a wiz with any car or rigging up ANYTHING!! Had a imagination out of this world and had no fear to try anything at least once and twice if he liked it!! He was a man who loved fiercely.. Taylor he loved you baby girl and Caden with all of his heart.. Casey and Baleigh.. He loved his bonus kids... he was so proud to be Chloe's papa.. Bubba he thought the world of you... Amy I dont have to tell you how much he loved you! ♡♡ .. lastly Uncle Dean Brian Lee loved you so much... he always told me what a good man you were and how much he loved his daddy!!! Brian damn I'm gonna miss you!!! I LOVE YOU FOR JUST BEING YOU!!

You were an amazing cook one day you made us try these mustard pork chops you had made... omg they were the best!! Grilled ckn hamburgers and ribs you could definitely grill... I've always loved the fact that you almost always made sure to make your daddy dinner..know that we will all take care of your daddy!!! Go rest now and find your peace.. ""I love you baby"" .Toni

“ *One of my favorite memories of Brian is when I took him to take a driving test. I have a long truck so when he did the parallel parking part he knocked the cone over 2 times so the 3rd time I see the driver's door crack open and out slips Brian's hand and he grabs the cone and moves it..... I busted out laughing and even lady doing the test kinda grinned... she passed him tho... I love you man... I'm really gonna miss you brother.... Donnie*
