“ *Aunt Cathryn will be missed so much, but I will always have wonderful memories of spending time with her at her home in Milledgeville and on her visits to Macon. She was always thinking of and praying for others. I think God kept her here on Earth so long so that she could continue praying for and encouraging others. I am happy that she is reunited with all of our family that she loved so much. She is a very special person, and I appreciate all that Carol and Cathy have done for her through the years. She was very proud of both of her daughters. My prayers are with you.*
