*They say there is a reason
They say time will heal;
Neither time or reason
Will change the way i feel. Gone are the days We used to share,
But in my heart
You are always there.
The gates of memories
Will never close; I miss you more than
Anybody knows...
Love and miss you everyday
Till we meet again
Always & Forever*

“ My fondest memory of Cesar is when my husband died, he was the one person who showed me he cared. He would always call and ask me how are you doing? His concern was very comforting to me and I will never forget that. There were several things he did for me never asking anything in return. I could always count on him and I will miss him!

I mentioned to him I was scared due to not having a storm door on my den.

Who found me one? He did!

I talked to him about how I could get my cars serviced?

Who serviced them? He did!

I talked to him about how I could get deck boards to my home since I didn't have a truck.

Who went and got them? He did!

Rest in peace my friend!

My deepest condolences to all the family.
