“ *I have such fond memories of hunting, fishing and just driving around with Bob!! He was like a 2nd dad to me growing up!! He was a great man, always putting others before himself! I remember one Christmas when my dad was out of work, Bob showed up with a tree, bags of food and gifts for everyone. I always wished life would have led us back home so my son could have got to know him better. I love you Bob, and will see you again!*
