“ My handsome Baby Boy... so many memories, where do I start? I remember the first time meeting you, you were so full of life... you always had to steal the show with some crazy stunt. From that day forward you were just Baby Boy and I was Mama.. We had lots of adventures together over the years, drag racing, PCB trips, dirt bike races and lots of trips to the hospital... skating rink, dinners, birthdays, holidays, you were by my side when I lost my Brandon, as I was by yours when we lost Your Brandon.. we've celebrated weddings and my divorce, we've hung out at the house and watched movies or just talked, you always was just there.. the way family is... you will forever be in my heart and memories. I love you so much Christopher Lee, Love Always Mama

Hey Bay-Bay!! 😞💔
