“Christy was the bright spot on Sunset Drive! We were next door neighbors for years and she was so thoughtful, caring and loving! I am thankful she is no longer suffering! I do miss her but I can hear her say, "Mrs. Rhonda and Mr. David, ya'll ought to see my brand new Home!" Enjoy God's Beautiful Heaven, sweet Christy!

“ I have many fond memories of Christy. She was one of a kind, with a undeniably unique voice. She was so beautiful, vibrant, strong, courageous, and witty. She didnt have a shy bone in her body. I always admired her outgoing personality. We had many exciting, fun,zany, and hilarious adventures together. I regret us not being as close as we once were, but i never stopped loving her. I am very grateful for the time i got to spend with her, and the lasting impression she had on my life. She will forever be missed. My thoughts and prayers are with Loretta, Flynt, Lilah, and the rest of her family. Rest in Peace my beautiful friend.

“Christy, I’m so heartbroken right now without you. I know you are better than ok though. God has restored your beautiful body and smile. You are talking, walking and dancing with the angels. You’ve always been an angel in my eyes and will continue to be. You have always talked about your mansion and us all living together, now you have it. We will all be in that mansion soon together! I’m sad right now, but I am also happy knowing you are in a beautiful place and with our father in heaven. Thanks for loving me and being the best daughter and sister to Lilah and Flynt. We will watch for you and know you will be with the hummingbirds! Love, Mom

Loretta I am so devastated for you and your family... I know it must be a horrible thing to lose a child. Please know I am praying for your continued comfort and strength in the following days, weeks, months, and even years. You are loved, and Christie is in the presence of Jesus' eternal love... God bless you sister!

“Christy was my best friend "in all the land" as she would say. She was indeed a princess because she was and still is a daughter of our KING! The world is a lot dimmer with out her in it. She was a voice for those who couldn't or wouldn't speak for themselves. She was a helper to all on all kinds of platforms. She would always be there if you needed her. She refused to accept the same kindness from others; even when it meant she would do without. When she loved you she did so completely. We could go long periods without speaking at times but I always knew she was a call away and she loved me as I did her. I look back on those times now and think of how silly it was. We really can't wait until later for everything. She loved her family completely and would defend them fearlessly. She never quit or gave up her fight. She ran out of real-estate to use in her war. I'm extremely proud of her. Im grateful to have had the privilege to know and love her. Rest easy and save me a seat I'm still loving you as always your Appy

“Christy was the brightest element in the entire room anywhere she went! I miss her so much sitting on our front porch watching the hummingbirds way into the night. Oh how she loved that! And she always had a way to take whatever was going on with her, wave it away, and try to be a positive light for anyone who she came into contact with.

Uncle Marshall, Sassy, Golden & I love you and miss you Sweetheart!
