“ Mark, Chris Dawn & all of Greg's family, Please know I understand the sorrow,
Greg was a very beloved Cousin who often took time out during his illness to check in on his "Ohio" Cousins in the past few years. Never sharing in his own struggles but always guiding others to a safe and quite spiritual place of understanding. He will be greatly missed and thought of frequently as the Cousin with a strong sense of spirituality and "family love". I will miss our talks, letters and cards. Rest in Peace, sweet man. I love you, Vicky

“ Chris/Dawn, Mark and Greg's kids, family and friends, your Uncle Richard and I are so very very sorry to hear of Greg's passing. Heartbreaking and so soon after Debbie. There really are no words, except to say they will always be in your hearts and when you think of them may it bring a smile to your face. Remember the good times and know they are watching over you. With love always...
