“ *This has bothered me since I learned of Danny's passing ! I can't seem to get him off my mind . And of course all his family that loved him , my special thoughts are with you all . Danny and I were very close way back in the late nineties , we were good friends , and I will always cherish that . He was special for sure . Harriet , you are on my mind , I know what it feels like to lose a husband , so just know you are on my mind and in my heart...I'm sure you have a strong support group , but if you ever need anything or just want to talk , don't hesitate to reach out . I will be thinking of all of you in the days , weeks , and months ahead. . Rest In Peace Danny ...you will always be in my heart ❤️*
