“ You were my Dad for 43 WONDERFUL years! I really enjoyed our special relationship. I am sure you received a special gem in your crown for adopting me as your daughter. Family get togethers will not be the same without you. Yet I have eternity to be with you and the others who have gone before us. Have the backgammon board set up for a game when I get there.

I love you dearly!

Wanda

P.S. For the family ... in Acts 13:36a Paul talked about King David. He said "For David, after he had served his own generation by the will of God, fell asleep ..." By God's will, Dad served many during his time on earth and is now in eternity.
