“ David was a great person. I mentioned to him once that I wanted to learn how to play the guitar and he bought me a guitar and all the books to learn. I am sad to learn of his passing. All around great guy- a light. May he rest in heaven with his beloved mother and grandmother.

“ *To the Family,
I still can't believe that he is no longer here. I worked with David at Yancey last year. During my time at Yancey, David and I became good friends. I want you to know that in my thoughts there is no better person than David. He would do anything for anybody. He was truly a great guy and a true friend. I will remember the good times we had at Yancey. I will miss him. I hope and pray that God gives your family the strength to get past this very difficult time. My heart goes out to you.*
