“ David was the kindest Man. He and Shane came to my house to help me out while my husband was deployed. My toddler at the time, had flushed something down the toilet and after trying everything else, David helped replace it for me. With curiosity getting the best of all of us, he smashed into the "retired" toilet and found that it was a Christmas ornament that fit just so. The entire Hayes family was a huge blessing in our lives. Miss them. I know David will be missed by all who knew him.
