“ *Members of the Fernandina Beach High School, Class of 57 were shocked and saddened to hear about the loss of David. He was always a charming, warm-hearted, and fantastic classmate. His postivie demeanor influenced the lives of so many and we will always cherish the experiences and memories that we shared together. David possessed a great sense of humor and was fun to hang out with. The summer before our Senior year, David and I practiced football together each evening so we would be prepared for the upcoming season. I got to know David on a more personal basis and loved the stories he would share with me. He will live in our hearts forever and never forgotten. Your pal forever - Gene Giddens*

“ *We are absolutely heart-broken to hear of David's passing. John and I considered him and JoAnne dear friends. John spoke to David a couple-three weeks ago telling us of their planned move. Memories of our shared times together are numerous and we cherish them....John and David kibitzing in the garage, chowing down at the Chinese buffet, their fabulous fish fries and many others. We extend our sincerest condolences to his family and hope that their warm and pleasant memories will soothe their grief. With the warmest of hugs to JoAnne, John and Betty Ann Perrine (former neighbors on Begonia Court in SCPeachtree)*
