“*Dave, I just learned of your passing and it pains me. I am so sorry I didn't know. As one of your Instagram friends, you became a real friend when my wife was visiting Atlanta with joint pains and you took the time to help her out when she was there. You gave her some special pain patches that worked out great for her. I'm so sorry I never got to meet you in person, but I enjoyed our IG chats.*

I was just thinking about you maybe a month ago wondering why I haven't heard anything - now I know. :(Thank you for everything friend. My thrifts and prayers to your friends and family. -Steve (SSgt93 on Insta).

“ I grew up across the street from David and MaryJane and always remembered David as my friend's little brother. I remember MaryJane calling me from across the street on the phone to excitedly announce she was getting a little brother. Years later, in 2008, I saw David again when he attended the visitation for my father's funeral. I didn't even recognize him until he introduced himself! I have many great memories of childhood that included MaryJane's little brother and know I'm not alone in being grateful for growing up on Mincey Rd. My heart felt condolences to David's wife and girls and rest of his family. I pray for comfort and peace as you all navigate the road ahead.
Warmly, Kay (Jones) Stargill

“ David was my best man and I was his. It's so rare to find a friend that sees your best when you are at your worst. Dave liked me when I didn't like myself. I love him and miss him.
