“ I will never forget the first time meeting Keith! I had just moved into the neighborhood and was introduced to Keith and he just stood there as tall and straight with a big smile on his face on his face. Never said a word to me...just smiled! Keith was a good man. After many years, at least twenty, or more he showed up in Albany, GA at the elementary school where I worked. He came to work as a sub for a couple of days. Of course he was smiling that big, beautiful smile! That was the last time I saw him! Rest In Peace, My Friend!!

The Smoak Family sends love to the Clark Family. We all had wonderful memories at Teamon Baptist Church. Smoak's came to Teamon Community in 1923, but the Clarks were already there. 🙏🙏

“ I have the greatest memories of him when our families would get together for the holidays. He always had the greatest smile and laugh - I can see and hear it in my minds-eye right now. He was always very patient with all of us smaller kids and would always spend time with us. It's been many years since I've seen Keith and the rest of the Clark family. I miss those gatherings... Much love to you all! ❤️
