“ *So sorry to hear of Ms. Bradley's passing. She was my history teacher at Greenfield (graduated 1989) and she always made it so intriguing and fun to learn. She made a huge impact on my high school learning, as I am sure she did with many, many other students. She was one of my favorite teachers, and I know her family will miss her dearly. My thoughts and prayers are with her family.*

“ Terry, so sorry to hear about your Sister's passing. May God give you and family peace and comfort during this time. What a legacy she has of helping to mold children's lives during her career, and what great things you have done for the people of Griffin Spalding County. You guys had great examples of service from your mom and dad, two wonderful loving people. As I told you before, your dad took me aside early in my Military career, and set me on the right path of how to do things and what to do, and that followed me through my entire career. I'm sure he and your mom did the same for you and Sis. Terry, I know you miss your mom and dad, and you will miss Sis, but rest in the assurance that we will see them again. God Bless you all. 🙏🙏
