“ *I worked with Edsel and Rondy at Alenco back in 1972. I only found out about his passing today. I pray for comfort and peace for this family. I haven't seen Edsel in years but I still have fond memories of the fun we had together working in shipping at Alenco. Rest in peace old friend.*

“ *Mr. HUCK*

*I just spoke with you a few days ago and I told you I loved you and to have anyone call me if you needed anything . I'm so glad I got to speak to you and let you know you were loved by me and my family . You were my Daddy's friend for many years . I can remember you all the way back when I was barley walking. You seemed so tall bc I was so little. You always thought I was so funny and I kept you laughing. You always asked how I was doing. My sympathy to all of your family. He was such a good person. I'm sure going to miss him ! Im Praying for everyone.*
