“ *I'm so sorry for your loss and the lateness of this message. I have been out of town and just got the notification of Mrs. King's passing. Sending your family my deepest condolences. I really enjoyed talking to Mrs. King every time she brought Mark to the dentist. She and I would carry on the best conversations, while I was cleaning Mark's teeth, as he listened to his radio. I will surely miss our conversations and the best hugs, that she'd give me on their way out, after the appointment was over. Sweetest lady and she will truly be missed.*
