“ I am so sorry in offering my condolences late, but I just found out about Frank's passing. I knew Frank through Bicycle Ride Across Georgia and his riding of the week-long ride during the summer. After Frank stopped riding BRAG, he volunteered at BRAG and helped perform various duties. I thought the world of Frank and he and I kept in touch. I checked on him about every 3-6 months and when I called the last time I left a message, but it was never returned. I just knew in my heart he had passed. He was a wonderful friend whom I will never forget and you and all your family were blessed to have him as a husband, father, grandfather, and great-grandfather. May his memories sustain you during this time.
