“ *I just found this. I have never seen or heard from Stanley since we played together on the Jaycee's Little League team together back in the 60's. He was our catcher and I remember him to be a good one. So glad to hear he lived well and was so loved. It's always amazing how close we are to old friends and never know it. My son and daughter-in-law were married at Oak Hill. To the family, may God bless and comfort you all.*

“ *George and I met at church. We both sat alone most of the time and finally introduced ourselves. He was a special person. He gave me some CD's of his recordings and took me to the Shen Yu performance. He prepared a meal and brought over and we watched Super Bowl together..Met for Milkshakes several times and such a joy to be around. We spoke recently and had said we would get together after the holidays, so I was shocked to hear of his passing. Prayers for family..so sorry for your loss...*

“ We got to know George through the Son Seekers Sunday School class at Oak Hill. He was a swell guy with a sweet soul, warm smile, affectionate hugs and great voice. I (Norma) am so thankful I came by Brightmore Monday afternoon before he passed on Tuesday. We were out of town and not able to make the services. Missing George and continuing to pray for the family.

“ *All of my memories of Stanley were positive ones and so thankful I had the opportunity to know him. His musical and vocal talent, shared with his band mates way back when, brought many people together, and produced memories that have lasted a lifetime. God bless you brother, you were a very special person in my eyes.*
