“ *Just heard about the passing of Wayne. Went to church with him and his family at Lakewood Heights many many years ago. Wonderful family and God fearing man. He will be greatly missed. Rest in Peace my friend until we meet again.*

“ *Woody was a very special man. Loved his family and God. I worked with him many years at Vernay and was always in awe of his knowledge in electronics. He was always my goto person when something broke down, whether he was at work or at home. No one there could match him and still couldn't today. I loved the stories he shared about Donnie. His eyes and face would shine everytime he spoke of him.*
