“ Dear Betty and family, I am so sorry to hear about Frank. I am praying that God will give each of you peace and comfort during this time and the coming days. Frank has been my friend for 60 years, from the time we played football on LaPrade Road where we both lived. We then worked at Dundee Mills together and I met and worked with you Betty. You both were great Dundee Family team members and together we got alot done to support our company. Frank is a good man, and you Betty, a good woman, and you two make a beautiful couple. I am proud to call you both friends, and I enjoyed all the time we spent together. We will all miss Frank, but we can rest in the assurance that we will see him again. God bless each of you.
