“ *So grateful to call you my father-in-law. You always made me feel loved and your quick wit kept me on my toes! Because we both surrendered our life to Jesus, I know beyond a shadow of a doubt we will see each other again. Until then, I will do exactly what you asked me too. See you later Pops! I love you!*

“ *Uncle Othel was special. He always made me feel special. From allowing a kid an extra ride on the dodgem cars to telling a young, insecure teen she was pretty. Thank you Uncle Othel. It's the little things I remember that made your Dad so great.*

“ I will forever remember the antics of Othel Liles. Him & David Stills kept me laughing. Those two men were so funny together. It was my pleasure to work with them at Chapel Music. They were two of the most honorable men I have ever known.

Othel will be missed. His wisdom, courage and the devotion to his Linnie and his family was inspirational.

He was a dear friend, not just a co-worker. He taught my boys alot during the time he worked with them at Chapel Music Company. Both Dustin & Steven looked up to Othel. Othel touched so many in his lifetime.

I know he is enjoy his reunion with many in heaven right now.

Prayers for the family.

Sincerely,
Shan Bowen & Family

“ The video is from when Grandson Nick brought his Harley to show Pops recently. Watching and hearing the two of them for hours that day was so entertaining.

The guy just off screen is my son Nick and evil pops Knievel is the wild man on the Harley with the urge to twist the handle. Thank you, Ol man, for giving me the love and skills I would need in this world. up until today all your sons me included thought we were number one ...turns out it was Leslie all this time. Love you. Hug Mom for me ,tell her I miss her and will miss you for the rest of my life.

Dad loved his work and missed it terribly when dialysis took away the ability to even do the small projects for the company.
