

## Jasper Guy Woodroof, Jr.

July 27, 1931 - January 2, 2018

Jasper Guy Woodroof Jr., age 86, passed away at Brightmoor Assisted Living, Griffin, Georgia on January 2nd, 2018.

He was born on July 27th, 1931 in Griffin, Georgia. His childhood years found him living in Tifton, Georgia, Cornelia, Georgia, and Griffin, Georgia. Following High School, he enlisted in the United States Air Force where he served during the Korean War as an Aircraft Radio Technician. He met his wife of 60 years, Dorothy Drew Woodroof, in Boston, Massachusetts where they were also married in 1957. He was employed at Lockheed Electronics until a major car accident forced him into medical retirement in 1971. Jasper was an accomplished woodworker, making many pieces of furniture and clocks for family and friends. His real woodworking skills were evident in the many bowls he made on his lathe. He was an avid cyclist. He cycled from his residence in Liberty Corner, New Jersey to Merritt Island, Florida and returned on two occasions, and also made two cycling trips with his wife Dorothy across several European countries while their son was stationed in Germany. He loved to cook and volunteered in the Crestview Baptist Church Kitchen while he was a member there. He had a very inquisitive mind, loved to help people, and was very generous with his time and resources. He had a keen sense of humor and always had a smile for everyone. He was a lifelong Christian and always a faithful church member. Both he and Dorothy credit their relationship with The Lord Jesus for guiding them through many hardships and trials in

their lives and marriage. His favorite scripture was found in 1 Thessalonians 4:11 "Make it your ambition to lead a quiet life, to mind your own business and to work with your hands, just as we told you".

He is survived by his wife, Dorothy Woodroof of Griffin; Daughter, Naomi Hard of New Brighton, Minnesota; Son, Jasper Guy Woodroof III of Griffin, Georgia and son, Timothy James Woodroof of Corona, California; Sister, Jane Akers of Oak Ridge, Tennessee, and Sister Cade Smith of Cullman, Alabama. He also has 12 Grandchildren, and 6 Great-Grandchildren.

“ I visit my mother at Brightmoor Senior Living every day and I often saw Mr. Woodroof in the hallway going to the dining room. I cannot remember even one time that he was not smiling and pleasant. It was quite obvious that he had joy in his heart and that could only come from knowing The Lord. May God comfort family and friends as his earthly life is remembered and his eternal life is celebrated.

“ So many memories, to many to share. When i first met Jasper, he made me and Chris feel so welcome, and later on i proudly called him Daddy, and that's how it always was even afterwards, they were always Mamma and Daddy. I will always cherish the time i had with them. Sundays after church we always went over there for Sunday supper, sitting on the porch swing reading the newspaper, waiting on supper to be served, and what a feast we had, holidays were so fun, filled with laughter, fun and food. I was always welcomed. Daddy was a proud man who loved God and his family, and he will be deeply missed by all who knew and loved him. My thoughts and prayers are with Mamma and the family, i pray that God will comfort them in their loss, and will give them peace knowing that he's home with Jesus, and his loved ones who went before him, i can just see the reunion going on in heaven, what joy. R. I. P. Daddy.

“ Getting to take Mr. Woodruff to the early voting for election 2017. After his Dr. appointment he asked if I could take him. Just so happened I had planned to vote that day also. Everyone was so kind and ushered him to the front of the line. He didn't let his limitations stop him. He was such a wise man. He will be missed.
