“ Jean Smith was a true friend to our family in a very special way a loving and family type way. Best friends since the 70's when we first meet Jean and Kenneth we felt like we had found adopting friends and family. WE were onto the family not as outsiders but as part of the family. We feel like we have lost a piece of our heart as Jean has passed onto the glory that I know she is enjoying. I find it almost impossible to share the grief that we feel at the passing on of our mother/friend, we will miss her sorely thank you Lord for allowing us to be friends with this wonderful person. And our adoptive family And at all of our gatherings I will never forget these three precious words she would say "KENNETH YOUR CRAZY" WE LOVE YOU MAWMAW
