

## Jenna Nicole Rhoden

June 3, 2002 - November 12, 2020

Thursday, November 12, 2020 we learned we lost our beautiful, intelligent, animal-loving, kind-hearted, and fierce Jenna Nicole.

Born June 3, 2002 in Perry, GA, she was the daughter of Ben Rhoden, Sr. and Melanie (Bolt) Chapman. Though it was not in our timing or our will, she has left us with fond memories filled with love, joy, and happiness.

Jenna, who was 18 had attended Warner Robins High School and was a graduate of Job Corps in Jacksonville, FL where she earned Pharmacy Tech certification. She loved her pets, Bubba and Snitch, animals of all sorts, and rescued any and all that came across her path.

Surviving in addition to her father of Hawkinsville Ga. and her mother of Bonaire, Ga is her brother, David Rhoden, Jr. of Warner Robins, Ga, maternal grandparents, John and Janet Bolt of Sandersville Ga; many whom she adopted as her "Mothers" and numerous aunts, uncles as well as family friends.

A memorial service will be announced very soon, as we wish to honor Jenna's final wishes.
