“ Sherri and family, I am so sorry to hear about my friend John. My God give each of you peace and comfort during this time and the coming days. John is a good man and friend, one who was always the same whenever you saw him, kind, gentle, and respectful. He and I had some good conversations when we attended the East Griffin Group Breakfast at Louise's. After he found out that I knew you he would always mention you in our talks. He is very proud of you. We will all miss John but we rest in assurance we will see him again. God Bless you all.
