“ Dear Kelly, Trish, Matt and Tyler, Tony and I both want you to know how deeply we wish you all some measure of comfort. Although we haven't spent time with Josh recently, we have such wonderful memories of his time with Brenda, Tony and Anthony in Texas. He joined us at family gatherings and cookouts. Tony reminded me that Josh had helped out over several hard weekends of work putting up fence at our place. He worked hard and joked as only Josh could with his Uncle Tony and our sons. We were glad to see Josh at your Dad's/grandfather's service and to hear from him that he was married to a wonderful woman and that he had a really good life. We are so very sorry for your loss and hope that knowing he impacted so many of us helps in some small way. Our thoughts and prayers are with all of you. May his memory be a comfort and a blessing. Pat and Tony Merritt, Seguin, Texas
