“ *My sincerest condolences, heartfelt thoughts and prayers go out to Kevin's immediate family and very close friends. I remember numerous occasions how Kevin talked fondly and proudly of his wife, children and grandchildren. He would mention how his grandson was a "worker" and that impressed him how a young boy had such strong ethics at an early age. Kevin was dedicated and took pride in working for Delta Air Lines as much as he enjoyed and took pride in everything he had a passion for and set his mind to do. He was quiet and reserved in his own way and was a kind and polite man. He enjoyed his collection of music CD's of most genres and always had a steady stockpile of hunting & fishing magazines and various papers on "How-to-DIY" projects he was interested in. One of Kevin's favorite foods was pizza. He let his love of pizza known because he could be heard saying "I want my pizza now!!!" Keeping his memory alive through his children and grandchildren... he touched more people than one person can imagine.*

*"May you Rest in Peace My Friend"  
Glad you were able to see through DR's B.S.Lol*
