

## LeAnn Cathleen Turner

February 28, 1981 - October 8, 2020

LeAnn Cathleen Rucker Turner departed on her final flight Thursday October 8, 2020.

Born in Tampa, Feb 28, 1981 she was the youngest daughter of the late Lee Rucker and Jacqueline Muse Rucker.

Surviving are her husband of 22 years, Jason Turner; her sister Heather Durst and husband David Durst. Her memories will live forever in her numerous nieces, nephews, aunts, uncles, cousins, and in-laws.

She was a professional bartender providing her the opportunity to touch many lives and build lifelong friendships. She and Jason loved to travel and share their experiences with the world.

Visitation will be held on Saturday, October 17, 2020 at 11:00am, the memorial will begin at 12:30pm, and a commitment ceremony immediately following. All services will be held at Haisten McCullough Funeral Home, 1155 Everee Inn Road, Griffin, GA.

In lieu of flowers the family is requesting that you leave a tip for your hospitality server as you would for LeAnn, snap a picture, and post to social media using #TipsForLeAnn

“ To the family of LeAnn Tuner,

*LeAnn was an amazing person, always happy, energetic, and vibrant. As one of the active owners of WWC, I had the please of getting to know her and she was one of the few employees that were direct contact of mine when I had to lean on my employees for issues related to the business. She was always there for me when something was needed. She was just a handful of employees from the first day the business opened and many customers knew her personally. I can't say enough when I say she will be greatly missed. She was always caring and thoughtful. We once talked about how infused green tea was good to drink and that I needed to get an infusion bottle. Well couple of days later, she brought one to the restaurant for me and said she had an extra one. That was just so thoughtful. If there is anything I can do to help, please let me know. If you are accepting any type of funds/donations on her behalf, please let me know so I may contribute.*
