“ *As Kathy's already said there's so many memories it's hard to pick just one. I know he'll be missed and will remain in our hearts until we're with him again in heaven. Dad told me when we were in the hospital, that he wanted to go home with Jesus, but he didn't want us to be mad. I told him we would never be mad. If anything we'd envy him. I have peace and rejoice the time he's spending with Jesus. He's finally where he always preached about.*
