“ *Lynn, my heart breaks for you and your family. Linda was a very special friend, whom I loved dearly. We had so much fun in the earlier days. She was always there when I needed her. She was a true blessing to Janice too. I bet there's a great reunion going on in Heaven! Just know that many prayers are lifted for you and your family during this difficult time in your lives. No words ... your great mother was more than words can say ... I loved her so much ... my whole life she was such a comfort to me many times I know that she and Rita are somewhere laughing and giggling together ... forever ... Your heart though is now broken for the rest of your life ... I am so sorry my heart wraps around yours

Lynn, I have known your mom before you were born. I was a little girl who tagged behind her and Rita throughout my childhood. To know Rita you knew Linda. They were a life long team together! I can only imagine the reunion they are having at this very moment. I know your pain is unimagineable. She was an incredible mom and friend to all who knew her. Sue was an amazing friend to me. I will miss her. Love and many hugs to you.

Dear Lynn, I know how close you and your Momma were. I'm so sorry, I know your heart is broken. The beautiful memories that you have will sustain you. You are in my prayers. I know the Lord's Comfort and Peace will give you strength during this difficult time. Linda was a so fun to be around and she was so knowledgeable about so many things. She enriched my life and I am sure she did that to everyone that knew her. I really like to think that she and Aunt Betty are sharing a pot of coffee and talking for hours in Heaven. Love you cousin Lynn, please stay in touch. Barbara Beute
