“ *I never personally had the chance to meet Miss Lorena however I can say I knew a wonderful person that felt like Family to me. I met her on Facebook because she was my Mom's childhood Best Friend growing up together. I had found her by accident and she asked about my Mom. My Mom passed in 2018 and Miss Lorena was sad because she was hoping to see her again after she and I had contact. She continued to talk to me after and I am truly sorry I won't get to meet her myself. RIP Miss Lorena, I know you are happy to be with Gary again. If you do see Mom, please tell her Hi for me. ❤️❤️ My deepest sympathies go to her family and friends.*
