“ Ms Lucille truly touched our lives as she cared for all 3 of our children while we were at GFA 1998-2003. Kaleigh was older but Ms Lucille came to our home many times to sit with our children when she wasn't working in the church nursery. She was one of the most impactful ministers to our lives while serving GFA. I know she is celebrating and I can't wait to witness her as she casts many crowns at the feet of Jesus one day, soon. Our prayers are with the family.

My heart is broken, I love this precious, Godly, saint. She means so much to our family and took care of my babies, and enjoyed serving along beside her in the nursery and childcare. She knew all the tricks that worked and bounced them a million miles. Love and many prayers for her family. I know He said "Well done, thy good and faithful servant.

“ *I will be forever grateful to this beautiful lady. She not only loved our daughter, treated her like her grandchild, and made the nursery a loving place to go she treated every child with that same loving care. Miss Lucille, you showed the love of Jesus not only to the children in your care, but were a best example of Jesus' love and faithfulness to their parents too. Heaven is an even more wonderful place now and I can't wait to see you again. Our most sincere condolences to all the family.*

“ There is no better example of being the very hands and feet of Jesus than Mrs. Lucille. So many moms and dads were given the opportunity to sit at the feet of Jesus because of her, myself included. She is so appreciated and will be greatly missed. My prayers for her family and friends.
