“ *When Allison brought me to her home during our college years Mr and Mrs Wrenn treated me like part of the family. Their loving genuine southern nature was felt the minute I met them. I know how much Allison and her family loved them both and our thoughts and prayers are with them all during this tough time. May God hold you all in the palm of his hand and provide healing and peace. Heaven has gained another angel and now they are back together. All our love Desiree' and John Possel*

“Buddy Wrenn was our dear friend and co-worker in the church for almost thirty years. We had many times of fellowship at the church, Wendy’s and other places. Buddy had an unusual gift of wisdom in complicated situations. He also had an unusual gift of strength and resolve. It was our privilege to pray with and support the Wrenn family for years in Jana’s ordeal and to know their support later with Katie and my parents. Without your support in that I would not have survived. Heaven is a sweeter place because Buddy and Frances are there waiting. Prayers for the whole family Gene and Elaine

Mr. Wrenn was one of my favorites. The epitome of a Southern gentleman... tough on the outside and pure kindness on the inside. His love of God, family and friends resonated in his face and words. I will miss seeing his smile. Praying his family will find peace in his salvation.

I didn't know Mr. Wrenn as well as I did Greg, Allison , and Frances. But the characteristics I loved in them, he seems to have had. Loved/love all.
