“ *Family, Jannell and I became good friends in the ninth grade at Turner County High School. Her sister Betty and I played basketball together. On out of town games, I would often stay over night with the Bullard family. Great memories! After Jannell moved back to Ashburn we renewed our friendship and have kept in touch through these past years. We talked on the phone at least once a week. Jannell spoke often of her childhood. Jannell lost her dad at an early age leaving her mother with five children to raise. Mrs. Bullard along with the children that were able to work kept the family together and all finished school. What a wonderful legacy your mother leaves for all of you. She was so proud of each of you and your accomplishments. I will miss visiting her and our chats on the phone. I can still hear her saying “God isn’t through with me, He still has something for me to do.” She now resides in heaven where He still has something for her to do. God bless each of you and may you each know the Lord Jesus Christ as your Savior which was your mother ‘s desire. 2 Chronicles 16:9.*

“ Ms Jenelle will be missed dearly. I had the honor of meeting Ms. Jenelle 3 years ago when she became my tenant @ Hampton Court Apartments. She was always dressed so beautifully, there was never a day that went by that she did not call & check on me. I remember when my mother passed, she came to the office and prayed for me. She was not just a tenant to me but a dear friend as well.

She was a Blessed & Awesome woman.

“ All of my childhood memories of Thanksgiving were at Aunt Jenelle's home. We have a huge family and there were a lot of us kids, cousins, Aunts and Uncles everywhere and Grandma of course! And there Aunt Jenelle would be in the kitchen working all through the day to make sure everyone was taken care of. She is a huge reason Thanksgiving so special to me now because of those happy memories with all of my Georgia family.

“ My condolences are with Jenelle’s family and friends. I was a high school classmate of Janelle’s and have fond memories of her. I was delighted to see her at our 50th class reunion and share recall of our fun times with a girls’ club. May her family find peace in special memories as well.
