“ *Marcia was a sweet Friend and Person. I met her during High School. We were members of the High School Chorus, along with other Friends. We use to have some fun times together. I saw her a couple times following High School, were Facebook Friends later and spoke to each other on the phone. My Mother and I saw Marcia, her Mother and Marcias Mother, when we were all out Shopping once. That was a fun surprise. Her Parents and Siblings were good people. My prayers and sympathy for her Family.*
