“ So sad to hear of Mark's passing. We used to have so much fun together. Always loved to hear him play music and we would all laugh & laugh. School hours were never boring if Mark was in the class. R.I.P. my dear old friend. You will never be forget and will be missed. With Love.

“ I remember going to Mark’s house many times when I was kid and still have a photo somewhere of he and I sitting in dune buggy at his house. I am so sorry to hear of his passing. Unfortunately, I will be headed out of town for work on the day of his funeral.
