“ *My Aunt Azalee was my best favorite aunt , I have a daughter named after her . I hate that I wasn't able to attend but I have felt your absence already, you were the best person to me no matter what you loved me and my kids , we loved you and continue to love you till we meet again ❤️*

“ *I have the fondest memories of Aunt Azzie. I married into the family when I was 16 and now I am 81. She was so kind and always treated me well. I now live in Florida but everytime I talked to her, she would say "When are you going to come and see me? The last time I was in the Atlanta area, my daughter and I stopped and spent the night with Aunt Azzie. Her hearing was getting bad and often when I called she did not answer because she could not hear the phone. I sent her phones with hearing capabilities several times but she could never get them to work. Will certainly miss her sweet smile and her genuine caring. Rest In Peace my dear Aunt Azzie!!*
